

## **ACCOUNTANTS LEARN HOW TO MINIMIZE CLIENT LIABILITIES WITH LAST MINUTE TAX MOVES**

*Perquest, Inc., a national web based payroll company, is sponsoring a no-cost, CPE Webcast discussing valuable year-end tax saving options accountants can apply to their clients 2008 tax returns.*

Oakland, CA. / December 9, 2008 – Perquest, Inc., a [payroll service](#) company, will sponsor a one hour, Continuing Professional Education (CPE) Webinar where accountants will learn about recent tax law changes and last minute tax moves that can be used to their clients' advantage.

Presenter and tax guru Michael Tucker, CPA, has an extensive background in lecturing and authoring materials on tax analysis.

Tucker will present solutions for a variety of clients including those whose security values have fallen below cost, clients with capital gains from transactions including mutual fund distributions, and share fresh ideas for accountants whose clients have depressed assets.

In addition to identifying the best time to use gift and estate planning vehicles such as defective trusts and contributions to family partnerships, Tucker will evaluate potential savings for clients with a taxable loss, reviewing when the tax loss should be carried back or if the potential savings can be carried forward to 2009 and beyond.

For those clients with taxable income, Tucker will discuss the potential advantages of IRC Section 179 for enhanced expensing deductions and the bonus depreciation deduction.

The one-time, one hour CPE Webinar will be offered on **Tuesday, December 16 at 11 a.m. Pacific Standard Time (PST).**

Course attendees are eligible to receive one Continuing Professional Education (CPE) credit after passing a brief attendance verification exam within 24 hours of the Webinar.

Although the course is FREE, it is taught as a group lesson and space is limited. Advanced registration is recommended. To register, visit [www.perquest.com](http://www.perquest.com) click on the Register Now link. Registration is easy and can be completed in just a few minutes.
