

Perquest Offers Free Resources for Small Businesses

Perquest, a provider of [payroll outsourcing services](#), introduces a free quarterly email newsletter for small business professionals.

Oakland, CA. July 15, 2008 –Perquest, a provider of [web based payroll](#) services for small and medium size businesses today announced the introduction of a free quarterly email newsletter series for small business professionals. Loaded with timely and informative articles and news on topics that confront small business, the Perquest [Business Trends Newsletter](#) can help small business owners and managers stay better informed and able to meet the demands of their growing business.

Topics for the newsletter include:

- Time and technology management
- Green solutions for small business
- The virtual workforce
- Selecting the right vendor
- Benefits of payroll outsourcing services vs. in-house payroll

In addition to featured articles and news, the Perquest [Business Trends Newsletter](#) also includes interactive surveys and links to valuable research reports including the 2008 Small Business Best Practices Report.

The Perquest [Business Trends Newsletter](#) is part of a package of content and resources Perquest has developed on behalf of small business professionals. Additional content and resources can be found on the [Resources page](#) of the Perquest website. Other content includes information on payroll outsourcing services, business formation, taxes, and employment regulations.

“We developed this newsletter as a timely resource for business owners and managers. It provides information to help business professionals stay on top of current trends and run their business,” says Tom Sinton, Perquest President and CEO.

To sign up for the Perquest [Business Trends Newsletter](#) visit the Perquest web site, at www.perquest.com.
